

MAKING CHRISTMAS ORNAMENTS

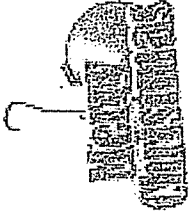

PLAY DOUGH RECIPE

- 2 cups of flour 1 cup of salt
- 2 tablespoons cream of tartar 2 cups of water
- 1 table spoon of mineral oil food coloring (your choice)

To make the play dough recipe you will mix all ingredients in a saucepan. Cook over medium heat, stirring until stiff. Allow the mixture to cool, then knead the dough by rolling it and squeezing it in your hands. The play dough must be stored in a zip lock baggie until you use it or it will dry out and become hard.

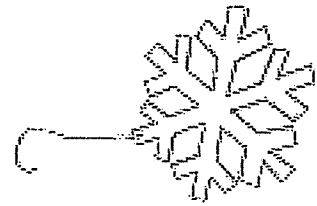

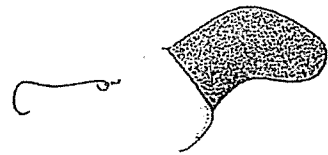

To make the ornaments you will need Christmas cookie cutters in all different shapes. Roll out the play dough and cut the dough with the cookie cutters. Place a hole at the top of the shape for a hanger to go through. You can use pretty ribbon, yarn, or string to pull through the hole for the hanger. These are nice gifts to give to your teachers, parents, and friends at Christmas time to hang on their Christmas trees and they are so special because they were made by you!

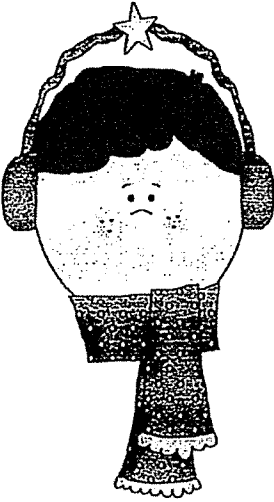

MAKING CHRISTMAS ORNAMENTS

<p>1. What is a recipe?</p> <p>A. Something used to color things</p> <p>B. Directions for cooking something</p> <p>C. A Christmas gift</p> <p>D. None of these</p>	<p>2. Why must you use a baggie to keep the dough in?</p> <p>A. So it will not dry out</p> <p>B. To keep it pretty</p> <p>C. to keep it dry</p>
<p>3. What is the first thing you will need to do to make the ornament?</p> <p>A. Knead the dough</p> <p>B. cut out the shapes</p> <p>C. cook in a saucepan</p> <p>D. give them as gifts</p>	<p>4. Which of the following is true?</p> <p>A. You do not need to cook the dough</p> <p>B. Use ribbon, yarn, or string to make the hanger.</p> <p>C. Let the dough get dry and hard</p> <p>D. None of these.</p>

day 1

SNOW MUCH FUN

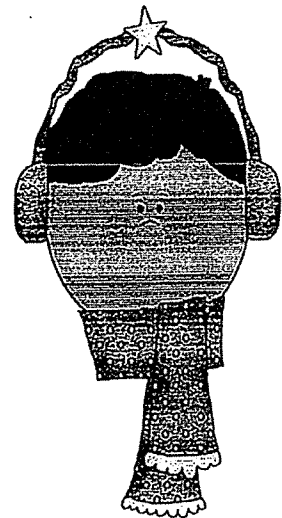

TASK CARD

Write an acrostic poem
for the word winter, snowman,
Hanukkah, Christmas or
Kwanza.

SNOW MUCH FUN

TASK CARD

Create a snowman noun sort. Draw
a snowman. Label each snowball
person, place or thing. Sort the
nouns you find from a story you are
reading.

day 1

Acrostic Poem

The page is designed for writing an acrostic poem. It features a decorative border of black circles. The writing area is filled with 12 sets of primary-ruled lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line. The title 'Acrostic Poem' is written in the top set of lines.

day 1

Snowman Noun Sort

Snowman Scoot 1

Which word is not a compound?

snowflake

snowman

snowing

Snowman Scoot 2

Does this word have more vowels or consonants?

decorations

Snowman Scoot 3

Which one is not something you can eat?

peppermint, garland,
gingerbread

Snowman Scoot 4

What do all of these words name?

evergreen, pine, spruce

Snowman Scoot 5

Which of these words should be capitalized?

menorah, hanukkah, gelt

Snowman Scoot 6

How many cookies are in 2 dozen?

Snowman Scoot 7

Write the plural of the word scarf.

Snowman Scoot 8

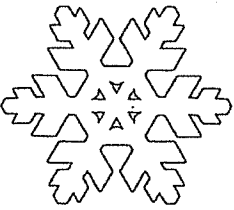

Which word is spelled correctly?

penguine, penguin, penquin

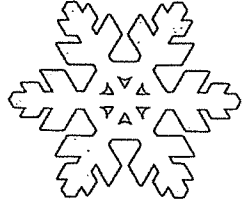

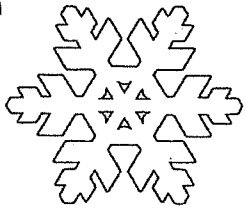

day 1

<p>Snowman Scoot 9</p> <p>Write the past tense of bake.</p>	<p>Snowman Scoot 10</p> <p>What are poinsettias?</p> <p>candy, flowers, animals</p>
<p>Snowman Scoot 11</p> <p>If the first day of Hanukkah is on a Monday, when would the last day be?</p>	<p>Snowman Scoot 12</p> <p>Which word rhymes with glove?</p> <p>grove, love, move</p>
<p>Snowman Scoot 13</p> <p>Which word does not belong?</p> <p>snow, frost, sled, ice</p>	<p>Snowman Scoot 14</p> <p>If each gingerbread man has 3 candy buttons, how many buttons would there be on 7 gingerbread men?</p>
<p>Snowman Scoot 15</p> <p>Which of these words should be capitalized?</p> <p>holiday, christmas, snowman</p>	<p>Snowman Scoot 16</p> <p>If one snowflake has 6 points, how many points on 5 snowflakes?</p>

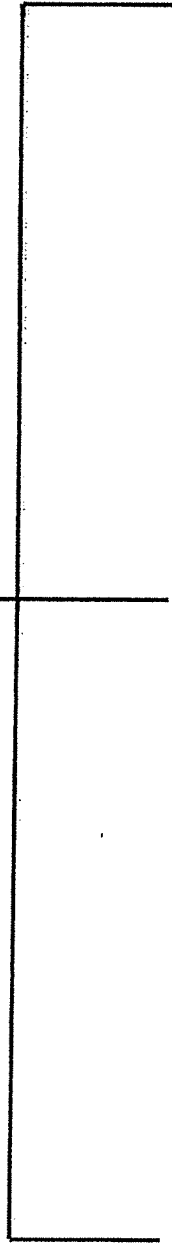

Name:

Date:

snowflakes

can

Four horizontal lines for handwriting practice, corresponding to the word 'can'.

have

Four horizontal lines for handwriting practice, corresponding to the word 'have'.

are

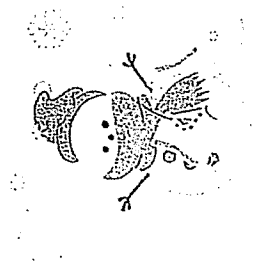

Four horizontal lines for handwriting practice, corresponding to the word 'are'.

day 11

day 1

Directions: Lay the cards out in an array and turn over two at a time. Match the standard form of a number with the place value in word form.

- ① Cut them out
- ② Match
- ③ Have a parent check
