See's Candies Arrival

The See's Candies order will be arriving soon! All students will be notified when their order is ready to be picked up. The students did a great job selling this year and many earned a good amount toward their field trips. Great job!

Warm Clothes

Please remember with the cooler weather it is important that your student comes prepared. Make sure your child brings a jacket or sweatshirt. If they are scheduled for any outside Farm and Garden activities, but are not appropriately dressed, they may not be able to participate.
