## Front Porch Math and Science Scholarship Application

Front Porch wants to help you pursue your goal of getting a math or science degree, so this year we are increasing both the number of scholarships and the amount given per scholarship. Under the new plan, each of the six scholarship recipients will receive \$4,000 per year for four years (\$16,000 in total). Front Porch makes many investments, but none are more important to us than investing in the education of the next generation.

### **Application Requirements**

- 1 Complete your high school's standard scholarship application form (please include your email address)
- 2 Completion of at least three years of science and three years of math
- 3 One page essay answering the prompt "Why I plan to continue studying science and/or math" (Essays can be on either math or science; they do not need to be on both)
- 4 Reside in Tuolumne County

### **Applications will be ranked by (not necessarily in this order);**

- 1 GPA
- 2 Essay
- 3 Science/math related extracurricular projects. Please provide detailed information/examples where possible.
- 4 Other information provided in the standard Sonora scholarship application
- 5 Financial need

### **Application Deadline**

Please give your completed application to your high school guidance counselor by 3 pm on Wednesday, October 12. The scholarship committee, which includes high school teachers, college professors and business professionals, will notify scholarship winners by October 21, 2016.

If you have any questions, please direct them to your high school counselor.

We look forward to reading your applications.
