

## 2017/2018 Vendor Policy

Gold Rush will pay up to \$25 per class per month for up to two vendors if a student is on independent study and not utilizing classroom instruction. Gold Rush will pay for one vendor up to \$25 per class per month for students supplementing independent study with classroom instruction. Gold Rush will not pay for any vendor service for students not on independent study. Students attending Basic and Beyond cannot utilize any additional vendor services. For more information about Basic and Beyond contact Pat Baer at 532-8930. In order to receive vendor services, a student must utilize an approved vendor as well as have a completed Student Introduction form and Hold Harmless form on file.

## Vendors

## GRCS Approved Vendors

*Vendors are available to enrich an independent study student's education. Some parents need professional assistance teaching their student certain subjects, some students want to enjoy more socialization through a vendor and others simply want to hone their abilities with their hobby (such as an instrument or martial arts). Gold Rush Charter School wants all students to take advantage of every educational opportunity.*

### Academic
